

Help shape the future of York's transport!

**WIN
£100**

**HAVE
YOUR
SAY!**

Transport in and around York is a crucial issue.

This is why we want to hear your views about transport in the city. We are launching a survey allowing you to tell York Council what transport matters are the most important to YOU... **and you could also win a £100 cash prize by doing so!**

What's it for?

City of York Council is about to draw up its next Local Transport Plan – a document which will say how transport and traffic should best be managed in and around our city over the next five years and beyond. By taking part in the survey, YOUR views will directly feed into and shape this plan. We will be setting up a Citizens' Transport Forum to work closely with the Council; and YOU could also become part of this by completing the appropriate section in the survey.

Who can take part?

Put simply, YOU! The survey can be completed by anyone aged 16 or more living in York. We also have a separate survey for anyone who commutes into York to work.

Who are we?

York Civic Trust, York Bus Forum and York Environment Forum are jointly launching this survey so that we can provide independent advice to the Council. We are being supported by the Community Fund, the Rees Jeffreys Road Fund and York Business Improvement District.

How do I take part?

Residents – log on to:
<https://surveys.qaresearch.co.uk/YorkTransportResidents.asp>

Commuters – If you travel into York to work, please go instead to:
<https://surveys.qaresearch.co.uk/YorkTransportCommuters.asp>

Closing Date

The surveys will remain open until **30th September**, and we very much look forward to hearing from YOU!

York Civic Trust
